TOTAL, SIX SITES

\$594,300

All under cap. Program ceiling \$660,000 across all partners.

COST SHARE, IN-KIND

\$28,000

SAMPLE Staff time, outreach support and discounted rates for low-income carshare users. Bidders cumulatively contribute not less than \$150,000.

Basis of price variation

Sites F-2 and F-4 require longer trenching from the panel array to the bay and a second foundation; F-3 sits on an existing pad. Ranking follows expected utilization from the MAPC geospatial map and the partner's priority order.

Payment

Milestone-based per the RFP deliverable schedule, invoiced through MAPC. Prompt payment terms 2% 10, 1% 15, 1% 20 as published on the VEH122 contract record.
